EXAMINER INTERVIEW SUMMARY

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Applicant's Representative, Gregory Sebald spoke via telephone with Examiner Hilina Kassa on March 2, 2010. Also present for the interview via telephone was Applicant's European Patent Attorney, Lars deHaas from Vereenigde in Den Haag, the Netherlands.

The technical field and the terms surrounding an embedded program were discussed. Differences between the prior art and the present invention were also discussed as well as interpretations of the terms used. Issues were raised regarding the functions performed and the inputs and functions performed by the embedded program of the present application. It was discussed that the next response would provide additional clarification to reflect differences discussed between the cited references and the embedded program of the present application. The present application and particular language of claim 1 was discussed. Moreover, additional differences and adding further language to differentiate over the prior art were also considered. In addition, it was discussed that a device may be recited in the claims and Section 101 issues that should be considered in a response. It was agreed that the Section 101 issues discussed would be addressed in an amendment.

Applicant's Representative thanks Examiner Kassa for the cooperation and courtesy extended during the interview. If a further telephone interview may be helpful in this matter, please contact Applicant's Representative at 612.336.4728.

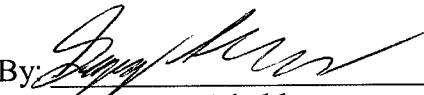

Please consider this a PETITION FOR EXTENSION OF TIME for a sufficient number of months to enter these papers or any future reply, if appropriate. Please charge any additional fees or credit overpayment to Deposit Account No. 13-2725.

Respectfully submitted,

MERCHANT & GOULD P.C.
